**Your AgDi Tester Type is:**

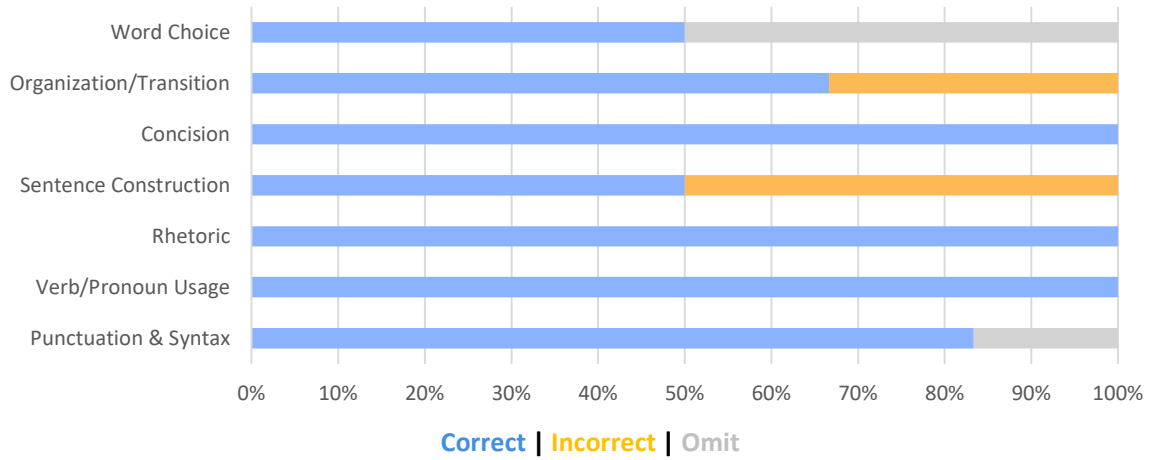

**ACT-1**

**"The Olympic Sprinter": This tester-type is comprised of students who consistently performed noticeably better on the ACT sections than on the SAT sections.**

*The AgDi is a proprietary practice test developed by a team of Inspirica's most experienced tutors and test experts. It is designed to simulate all of the sections of both the ACT and the SAT in a single testing session by incorporating everything unique to each test, from the question types to the order of the sections to the amount of time allotted per question. Each student's results are analyzed by Inspirica's test experts, who use official score data from both the ACT and the SAT to produce a starting score range for each test and a customized test recommendation for each student.*
